**Corsinel Regular Male Boxer High**  
Art.no. 3534

Corsinel Regular underwear is designed to provide optimum fixation and support of an ostomy pouch. The underwear also supports and retains abdominal hernias.

Wearing the underwear makes daily and strenuous activities easier to perform. The underwear enhances a smooth appearance, providing discretion and encouraging participation in social life.

The strong upper part of Corsinel Regular underwear supports the pouch and/or hernia. The lower part is in a softer material that makes the garment easier to put on and take off.

The underwear has 4-way-stretch, which provides perfect adaption to body contour. Skin-friendly material prevents allergic reaction, redness or skin irritation in general. Seamless knitting ensures optimum wearer comfort. The underwear is designed for use day and night.

### Indication:

Corsinel support underwear is specially developed to provide additional fixation and support of an ostomy pouch. The underwear also supports and relieves a parastomal hernia, umbilical hernia, epigastric hernia or abdominal scar hernia. The support from the underwear offers relief, alleviation, assists mobility, counteracts sense of gravity, thereby providing pain relief. The underwear may also reduce the risk of developing a hernia. The Corsinel underwear is available in a low and a high model. For recommendation on height and use, please contact your doctor or nurse.

### Precautions:

Make sure the garment is not compromising lung functions. We advise against using the underwear during pregnancy, by acute abdomen, abdominal compartment syndrome, presence of ascites fluid or general discomfort/pain in the abdominal region. Please consult your doctor if you suffer from Chronic Obstructive Pulmonary Disease, if you experience unexpected discomfort, stoma or skin irritation or if you have any questions regarding use. If urgent need for removal of product, open with scissors.

Measurement at the widest abdominal circumference

| FEMALE |         |       |
|--------|---------|-------|
| SIZE   | CM      | IN    |
| S      | 85-102  | 34-40 |
| M      | 97-115  | 38-45 |
| L      | 110-130 | 43-51 |
| XL     | 125-145 | 49-57 |
| 2XL    | 142-165 | 56-66 |

| MALE |         |       |
|------|---------|-------|
| SIZE | CM      | IN    |
| S    | 85-98   | 34-39 |
| M    | 93-110  | 37-43 |
| L    | 105-125 | 41-49 |
| XL   | 120-140 | 47-55 |
| 2XL  | 138-160 | 54-64 |

NOTE: For more support go down one size and for less support go up one size.

IMPORTANT: Always measure yourself to find the right size

### Available colours:

### Composition:

Male:  
79% Polyamide, 21% Elastane.

Female:  
76% Polyamide, 21% Elastane,
